

MHBC21
Horizontal Double

Designed for double horizontal bicycle storage catering for 32 bicycles

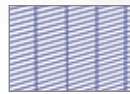

Metal cladding on roof

Pedestrian gate with magnetic lock and access control

Choice of mesh cladding

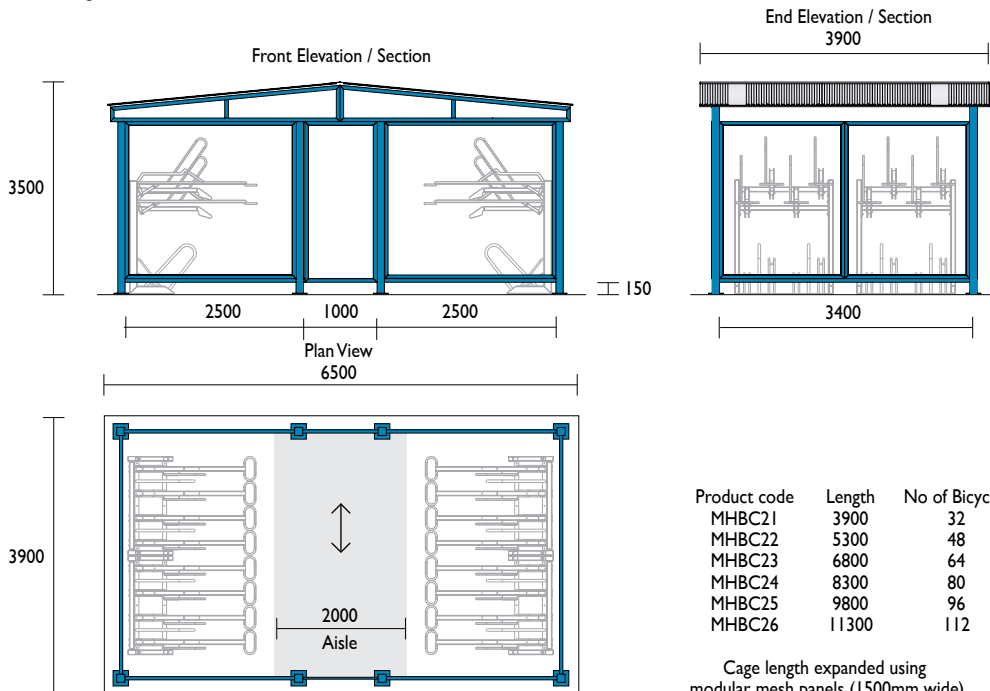

50 x 50 x 4mm galvanised wire mesh

71 x 9 x 4mm security mesh (higher anti-cutting protection)

CBR8GS / CBR4B Racks illustrated

Modular mesh panels (1500mm wide) allow the length of the cage to be expanded to provide the required bicycle capacity

Product code	Length	No of Bicycles
MHBC21	3900	32
MHBC22	5300	48
MHBC23	6800	64
MHBC24	8300	80
MHBC25	9800	96
MHBC26	11300	112

Cage length expanded using modular mesh panels (1500mm wide)

Material Specifications (General)
